ESSAY - Write and attach a response (2 pgs max) Please answer each part fully:

- Tell us a little about why you selected the base(s)/position(s) you did. What interests you about this internship? What do you hope to learn?
- What experiences, skills, or knowledge do you bring that would be especially helpful to this base and position?
- How do you see yourself contributing to the bigger picture goals of ENGAGE internships?
 - Goals:
 - to support community organizations in building their power and capacity
 - to foster exchange between ENGAGE bases, encouraging movement building across issues and sectors of society
- If you have past experience in community organizing, evaluate a specific organizing experience. What was your role? What do you feel your strengths and weaknesses were? How would an internship like this enable you to become a better organizer?
